OPERATIONS:

- April 2024 was a “normal” month in terms of operations for the library, as in nothing major to report.
- Over the course of the month, I purchased 2 new larger humidifiers for the library space to help with our notorious dry conditions.
- Purchased a painting from the NP Gallery in a show of support for them. We also received two paintings on loan for the staffroom and main floor.
- We also saw the launch of the Ukulele/Tuner Collection!

Programming:

- Regular programming: Toddler/Baby Times, Knit night, D&D Nights, Family StoryTimes, Lego Club, Teen PRIDE Night, ASL Practice Group, and Crafty Night Out, all went ahead.
- Summer Reading Club – Update
 - Job has been Posted, and deadline is May 18th 2024 @ 5pm.
 - We sadly did not receive the YCW grant to support the salary portion of the SRC Student Position, so enhancement grant funding will be designated for two positions.
