

Director's Report – October 2024

OPERATIONS:

- October has been a relatively normal month operationally. As with the rest of 2024, we are seeing a significant increase in foot traffic rates.
- No updates yet on NPCC External upgrades or internal lights.
- Temperatures began to drop, so heating and internal humidity have returned as priorities.
- Hours have remained consistent.
- The door counter main unit was **stolen** on October 3rd. More Secure Unit was ordered and installed.

PROGRAMMING:

- We saw the return of normal programs such as Toddler/Baby Time, DIY Teens and Crafternoon.
- Due to a family emergency, the Children's programmer was away the final two weeks of October. Director and Backfill Program Staff briefly took over their role to continue programming.
- November calendar will be posted prior to Halloween.
