

Director's Report – November 2024

OPERATIONS:

- November has been a normal month operationally. As with the rest of 2024, we are seeing a good increase in foot traffic rates, though this was slightly impacted by the change to cold weather.
- The City had contractors in on Saturday, November 16th to check the external windows. No update on the LED Lighting project.
- Open Hours have remained consistent.
- Using the NELF Peer-To-Peer Program, this month, I travelled to and visited: *Taylor Public Library*, *Pouce Coupe Public Library*, and *Dawson Creek Municipal Library*.
 - I have plans to visit: Fort Nelson Public Library, Chetwynd Public Library and Hudson's Hope Public Library.

PROGRAMMING:

- December Program Calendar Draft is done and will be posted later this week.
- On November 30th, the programmer and Access Services Coordinator will be helping out with Photos with Santa on November 30th.
